IT PROJECTS

- ANSIBLE for DevOps.
- Network Scanner with Python.
- Integration of SELinux with Apache.
- Real-time face detection application with Python.
- SQL - Appliance Repair Management.
- Social networking with HTML, Tailwind CSS, MySQL and JavaScript.

COMPÉTENCES

Penetration Testing

- Practical experience with penetration testing tools.
- Active participation in CTFs.
- Hack The Box training.

Systems Administration

- Advanced Linux Administration
- Database administration

IT Security

- Cryptography
- Network security
- Python for Cybersecurity

Development and Programming

- Network Programming in Java
- Advanced Python
- C/C++ programming
- Java POO
- JavaScript
- NodeJS
- HTML/CSS

EDUCATION

2022 / 2025

- Computer engineering course specializing in cybersecurity, EIDIA - École d'Ingénierie Digitale et d'Intelligence Artificielle - Euro-Mediterranean University of Fez.

2020 / 2022

- Integrated preparatory cycle, EIDIA - École d'Ingénierie Digitale et d'Intelligence Artificielle - Euro-Mediterranean University of Fez.

2018 / 2019

- Baccalauréat Experimental Sciences in Physics and Chemistry, Institut Polyvalent de l'Enseignement Privé - IPEP.

PROFESSIONAL EXPERIENCE

Cybersecurity Internship | WAFA ASSURANCE

July 24 to August 24, 2023

- Exploration and active observation of safety processes.
- Immersion in the organizational and operational environment.
- Exchange with professionals in the field.

Computer Engineering Assistant | ECOPRAM

June 27 to August 27, 2022

- Design and development of digital solutions.
- Test validation.
- Deployment of solutions.

CERTIFICATIONS

COURSERA
(GOOGLE)

- Connect and Protect: Networks and Network Security .
- Play It Safe: Manage Security Risks.
- Foundations of Cybersecurity.

CISCO

- Python Essentials 1 et 2.
- Ethical Hacker.

FreeCodeCamp

- JavaScript Algorithms and Data Structures.

UDEMY

- Pack ULTIME en Cybersécurité +26 Heures.

LANGUAGES

- Arabic: Native Language
- French: Native Language
- English: Good command

QUALITIES

- Sense of responsibility.
- Communication skills.
- Rigor and organization.
- Interpersonal skills.
